We appreciate all the sponsors. These sponsorships help cover the cost of the vendor welcome reception on Monday night, breakfast and lunch served to attendees on Tuesday, and the Awards Banquet on Wednesday night, and the daily refreshment breaks. Sponsorships also help to cover the cost of welcome packages provided to attendees to include a reusable backpack or messenger bag, lanyard, and assorted collateral from area businesses.

The GECC Conference Committee also welcome donations of specific events or products, such as attendee gifts, door prizes, bingo night, award plaques and trophies, conference committee refreshments, or even a specific speaker.

Without our vendors and sponsors, the conference would not be what it is today. We sincerely thank you for supporting the Georgia Emergency Communications Conference and public safety communications in Georgia.
